

Accreditation Application
Northeast Kansas Library System
Library Development Accreditation Program

Library Name _____

Accreditation Service Level _____

The Library Development Accreditation Program is intended to encourage and recognize attainment of the standards for public library service in the Northeast Kansas Library System. All public libraries are encouraged to participate in the accreditation program, and accreditation certificates will be awarded to libraries upon approval of accreditation applications.

The Accreditation Program is a *requirement* for those eligible libraries applying for a Library Development grant.

Accreditation will remain valid through the end of the three-year accreditation period; however, quantifiable standards will be verified annually using the library's most recent annual statistical report to the State Library of Kansas. Continued achievement of those standards within the accreditation period is required for yearly grant eligibility.

The library may choose to apply for accreditation at the level of service that the library determines to be appropriate for its community. Standards are intended to apply to the main or central library location in libraries operating multiple branch libraries.

Libraries may request a waiver of any standard. The System Director will consider requests for waivers and decisions may be appealed to the Executive Board of the Northeast Kansas Library System. *NEKLS may grant a waiver in order to provide libraries sufficient time to achieve a standard that is "in process." When requesting a waiver, libraries must provide a proposed timeline for achieving the standard.*

LIBRARY SERVICE LEVELS

The library service levels in the Library Development Accreditation program of the Northeast Kansas Library System are adapted from those contained in *2016 Standards for Kansas Public Libraries*:

Gateway Library	Major Service Center I
Linking Library	Major Service Center II
Service Center I	Major Service Center III
Service Center II	Major Resource Library

Standards listed apply to all service levels unless specified otherwise. Some standards (numbers 22, 23, 32, 33, 34, 38 and 39) only apply to specific service levels. For those standards with multiple choices, select the applicable choice for the accreditation level for which you are applying. If your service level is not listed, it does not apply.

CERTIFICATION

We hereby apply for Library Development Accreditation from the Northeast Kansas Library System.

We certify that:

1. The library is a legally established, tax-supported public library, and is a member of the Northeast Kansas Library System.
2. This Library Development accreditation application was discussed and approved at a library board meeting with a quorum of board members present.
3. Copies of the library’s current bylaws, policies and strategic or long-range plan have been provided to the Northeast Kansas Library System in printed or electronic form as part of this application.
4. The library meets all Library Development Standards for the service level specified, except where waivers have been approved by the Northeast Kansas Library System.
5. The library intends to remain in compliance with Library Development standards throughout the period of accreditation.
6. The library has a good-faith intent to meet any agreement with the Northeast Kansas Library System to implement during the agreed time any standard that has been waived.

Structure and Governance

Yes No

___ ___ 1. The library is governed by an appointed or elected library board exercising the authorities provided in state statutes, including but not limited to: (a) maintain the library board's legal status as a body corporate and politic with authority to adopt library policies and regulations; (b) employ and set compensation of a librarian; (c) accept and administer, and invest grants and gifts received; (d) pay out funds collected for operation of the library; and (f) other board authorities as provided in statutes.

___ ___ 2. The library board operates under appropriate budget and financial procedures:

- The treasurer of the board is bonded as required by KSA 12-1226.
- Financial reports are provided to the board at each board meeting.
- Statutory requirements for auditing of library accounts are followed.
- Appropriate procedures for internal financial controls are implemented. Such procedures require that at least two persons examine and approve payments from library funds.

See Appendix D for details

___ ___ 3. The library board employs a paid library director, and delegates management of the library to the library director within the policies and budget approved by the library board. The director acts as the library's chief executive officer, and is responsible for hiring, firing and evaluating employees.

___ ___ 4. The library board approves and implements a written personnel policy. The library director implements and manages personnel policies and procedures.

___ ___ 5. Liability insurance for the library is maintained by the library board or the library's parent government body (city, township or county), and a copy of the current insurance policy is on file at the library. *See Appendix D for details.*

___ ___ 6. Library financial records are maintained on file at the library and are available in accord with Kansas Open Records Act requirements.

Yes No

___ ___ 7. The library board has adopted written bylaws and policies that explicitly address the following topics. (Note: These need not be individual policies; “like” topics may be addressed together.)

Library will provide copies of all policies to NEKLS in electronic format.

___ ___ 8. Copies of bylaws and policies are provided to every member of the library board, the library director, and library staff. The library board and director reviews the bylaws and each policy at least once in a three-year cycle.

___ ___ 9. The library board participates in at least one continuing education activity annually. This activity may be:

- Part of a regularly scheduled board meeting with materials and/or a presentation provided by the library system or other resource.
- Attendance at continuing education activities provided by the library system and/or other continuing education providers.
- Other continuing education activities including viewing and discussion of online or recorded presentations.

___ ___ 10. New library trustees participate in an orientation upon appointment to the library board. *See Appendix D for details.*

___ ___ 11. Each library designates a System Representative. This individual – or an alternate – attends the Annual Assembly of the Northeast Kansas Library System.

Planning, Marketing and Community Engagement

Yes No

___ ___

12. The library board has a current written strategic plan, updated at least every three years and developed with input from members of the community in addition to the library staff and library board. Assistance with library planning is available from the Northeast Kansas Library System. *See Appendix D for details.*

The process to determine a strategic plan includes: (1) assessment of community demographics and needs; (2) vision and/or mission statements; (3) goals and objectives; action steps; and (4) a process to monitor implementation of the plan.

Library will provide a copy of the strategic plan to NEKLS in electronic format.

___ ___

13. The library board annually reviews the strategic plan.

___ ___

14. The library evaluates the needs of their community and then offers services to meet those needs through community engagement, events, or programs that acquaint citizens with library services, staff and facilities. Examples include educational and cultural programs, small business resources, or homebound delivery.

Library Funding and Budget

___ ___

15. The library board annually reviews the types of funds used by the library before beginning budget preparation. These include the general tax fund, grants, donations, endowments, and various types of miscellaneous income. Libraries could also utilize a separate employee benefit tax fund, and may create and use a legally established capital improvement fund. Contact NEKLS for sample resolution wording for creation of an employee benefit fund or a capital improvement fund.

___ ___

16. The library director develops and presents a budget to the library board for discussion and approval. An adequately funded public library meets the following funding levels:

- Salaries and Benefits – a minimum of 65% of its annual budget for library personnel compensation. (*See #44 for additional details.*)
- Materials and Electronic Resources minimum – 12% of total operating expenditures from all income sources (excluding capital fund expenditures).
- Technology – Varies; see appendices B & C
- Library Operations – Varies

Yes No

___ ___ 17. The library board presents tax budget information to the local governing body. This budget should be reflected on the municipal budgets as a separate library fund rather than as a line item in the municipal budget. Municipal governments are charged with funding operational budgets created and approved by local library boards (K.S.A. 12-1220).

___ ___ 18. The library board and library director review all portions of the local official budget related to the library, which may be found at:
<https://admin.ks.gov/offices/chief-financial-officer/municipal-services/municipal-budgets>

___ ___ 19. All checks issued by the library require two signatures – the president and the secretary of the library board. Any additional signatures are optional. The statutory basis for this is K.S.A. 10-803. See also “Facsimile Signatures” in Appendix D.

___ ___ 20. The library board treasurer and the library director develop monthly financial documents for the library board. The monthly financial documents and all financial motions are included in the library board minutes. (K.S.A. 79-2927). The monthly financial documents include:

- a list of current monthly expenditures
- year-to-date, expenditure-to-budget comparison
- a list of current monthly income
- year-to-date income to budget comparison

___ ___ 21. The library board and library director comply with the audit requirements for their size of library budget. K.S.A. 75-1122 requires a library to have:

- an annual **examination and audit** performed by a licensed municipal accountant or certified public accountant when library "aggregate gross receipts" are in excess of \$500,000 or general obligation or revenue bonds are in excess of \$500,000.
- an annual **examination** performed by a licensed municipal accountant or certified public accountant when library "aggregate gross receipts" are in excess of \$275,000, but not more than \$500,000 or general obligation or revenue bonds are in excess of \$275,000, but not more than \$500,000. (See Appendix D for additional details.)
- an annual **financial review** when library “aggregate gross receipts” are less than \$275,000 or general obligation or revenue bonds are less than \$275,000. (See Appendix D for additional details.)

This statute applies to public libraries in cities of the first and second class and some third class cities, townships and library districts. Library boards of libraries not required to have an annual audit must approve a GAAP waiver annually.

Library Services and Resources

Yes No

- ___ ___ 22a. [Gateway] The library is open 14-20 hours each week including some hours after 5:00 p.m., or hours on Saturday and/or Sunday. Library hours are scheduled to meet community needs.
- ___ ___ 22b. [Linking] The library is open 18-30 hours each week including some hours after 5:00 p.m., and hours on Saturday and/or Sunday. Library hours are scheduled to meet community needs.
- ___ ___ 22c. [Service Center I] The library is open 32-50 hours each week including some hours after 5:00 p.m., and hours on Saturday and/or Sunday. Library hours are scheduled to meet community needs.
- ___ ___ 22d. [Service Center II] The library is open 45-60 hours each week including at least five weekday hours after 5:00 p.m., and at least four hours on Saturday and/or Sunday. Library hours are scheduled to meet community needs.
- ___ ___ 22e. [Major Service Center I, II] The library is open 55-65 hours each week including at least five weekday hours after 5:00 p.m., and at least four hours on Saturday and/or Sunday. Library hours are scheduled to meet community needs.
- ___ ___ 22f. [Major Service Center III] The library is open 65-70 hours each week including at least five weekday hours after 5:00 p.m., and at least four hours on Saturday and/or Sunday.
- ___ ___ 22g. [Major Resource Library] The library is open 65-75 hours each week including at least five weekday hours after 5:00 p.m., and at least six weekend hours including both Saturday and Sunday hours.
- ___ ___ 23a. [Major Service Centers I, II, III] The library has a meeting room available for use by community groups. This may be a multipurpose room used for meetings and other activities or functions.
- ___ ___ 23b. [Major Resource Library] The library has a variety of meeting and/or multipurpose rooms available for community use.
- ___ ___ 24. The library participates directly in the statewide interlibrary loan system.
- ___ ___ 25. The library has a continuous weeding program. A minimum of 3% of the physical materials in the collection is withdrawn annually.
- ___ ___ 26. The library annually expends not less than 12% of its total operating expenditures from all income sources (excluding capital fund expenditures) on purchase of library materials or access to electronic content.

Yes No

- ___ ___ 27. The library annually adds physical items to its collection equal to not less than 4% of the total collection.
- ___ ___ 28. The library purchases access to electronic content as part of its collection. Content purchased should best address local community needs and might include eBooks, video, etc. Libraries are encouraged to participate in regional system and/or statewide electronic content cooperative arrangements in order to purchase such materials.
- ___ ___ 29. The library provides materials and programming to children and teens. (*See Appendix D for additional details.*)

Automation and Technology

- ___ ___ 31. The library provides a wireless Internet access point 24/7.
- ___ ___ 32a. [Gateway] The library provides free public access to at least 3 computers with an Internet connection with bandwidth sufficient to meet community needs but in no circumstances less than 10 mbps.
- ___ ___ 32b. [Linking] The library provides free public access to at least 4 computers with an Internet connection with bandwidth sufficient to meet community needs but in no circumstances less than 10 mbps.
- ___ ___ 32c. [Service Center I] The library provides free public access to at least 6 computers with an Internet connection with bandwidth sufficient to meet community needs but in no circumstances less than 15 mbps.
- ___ ___ 32d. [Service Center II] The library provides free public access to at least 8 computers with an Internet connection with bandwidth sufficient to meet community needs but in no circumstances less than 15 mbps.
- ___ ___ 32e. [Major Service Center I] The library provides free public access to at least 12 computers with an Internet connection with bandwidth sufficient to meet community needs but in no circumstances less than 20 mbps.
- ___ ___ 32f. [Major Service Center II] The library provides free public access to at least 18 computers with an Internet connection with bandwidth sufficient to meet community needs but in no circumstances less than 35 mbps.

Yes No

- ___ ___ 32g. [Major Service Center III] The library provides free public access to computers with an Internet connection sufficient to accommodate patron demand with reasonable wait times. Bandwidth must be sufficient to support at least 36 public devices and meet community needs, but in no circumstances should bandwidth be less than 45 mbps.
- ___ ___ 32h. [Major Resource Library] The library provides free public access to computers with an Internet connection sufficient to accommodate patron demand with reasonable wait times. Bandwidth must be sufficient to support at least 60 public devices and meet community needs, but in no circumstances should bandwidth be less than 75 mbps.
- ___ ___ 33a. [Major Service Center I] The library provides local technical support for its library network, hardware and software, and has a minimum of 0.5 FTE dedicated to technology development, services and support.
- ___ ___ 33b. [Major Service Center II] The library provides local technical support for its library network, hardware and software, and has a minimum of 1.0 FTE dedicated to technology development, services and support.
- ___ ___ 33c. [Major Service Center III] The library provides local technical support for its library network, hardware and software, and has a minimum of 1.5 FTE dedicated to technology development, services and support.
- ___ ___ 33d. [Major Resource Library] The library provides local technical support for its library network, hardware and software, and has a minimum of 2.0 FTE dedicated to technology development, services and support.
- ___ ___ 34. The library is either a NExpress member library or has an integrated library automation system that at a minimum provides circulation control and online public access catalog (OPAC) functions, with patron remote Internet access to the OPAC. The system must be able to import and export records in full US MARC format, and meets standards for interoperability with the statewide resource sharing network. Those standards include z39.50 server and client compatibility, and NCIP and/or SIP2 patron authentication compatibility.
- ___ ___ 35. The library has an up-to-date website (static or dynamic) and a social media site that is actively maintained and that contains current information about library services and programs.
- ___ ___ 36. The library has a current three-year technology plan including a 3-5 year computer replacement schedule and planning for new technologies. *Library will provide a copy of the technology plan to NEKLS in electronic format.*

Yes No

___ ___ 37. The library provides assistance and instruction for community members on use of library computer applications and the Internet.

Library Personnel

___ ___ 38a. [Gateway] The library employs sufficient staff to meet service needs, including a paid library director. The library has a minimum of 16 hours per week of paid library staff, of which at least 2 hour per week is paid time for the library director for administrative duties.

___ ___ 38b. [Linking] The library employs sufficient staff to meet service needs, including a paid library director. The library has a minimum of 20 hours per week of paid library staff, of which at least 2 hour per week is paid time for the library director for administrative duties.

___ ___ 38c. [Service Center I] The library employs sufficient staff to meet service needs, including a paid library director. The library has a minimum of 34 hours per week of paid library staff, of which at least 2 hour per week is paid time for the library director for administrative duties.

___ ___ 38d. [Service Center II] The library employs sufficient staff to meet service needs, including a full-time (40 hours per week) paid library director. The library has a minimum of 80 hours per week of paid library staff.

___ ___ 38e. [Major Service Center I] The library employs sufficient staff to meet service needs, including a minimum of 150 hours per week (3.75 FTE) of paid library staff.

___ ___ 38f. [Major Service Center II] The library employs sufficient staff to meet service needs, including a minimum of 400 hours per week (10.0 FTE) of paid library staff.

___ ___ 38g. [Major Service Center III] The library employs sufficient staff to meet service needs, including a minimum of 720 hours per week (18.0 FTE) of paid library staff.

___ ___ 38h. [Major Resource Library] The library employs sufficient staff to meet service needs, including a minimum of 2000 hours per week (50.0 FTE) of paid library staff.

Yes No

___ ___ 39a. [Service Center II] The library employs a full-time (40 hours per week) paid library director who has a Bachelor's degree from an accredited college or university. These educational requirements will be waived for persons already employed as library director as of January 1, 2002.

___ ___ 39b. [Major Service Center I] The library director has an MLS degree from an ALA accredited library school. These educational requirements will be waived for persons already employed as library director as of January 1, 2002.

___ ___ 39c. [Major Service Center II] The library director has an MLS degree from an ALA accredited library school. In addition, the library employs a minimum of 1.0 FTE additional staff with MLS degrees. Other key positions as determined by the library director and library board will require a Bachelor's degree. These educational requirements will be waived for persons already employed as library director as of January 1, 2002.

___ ___ 39d. [Major Service Center III] The library director has an MLS degree from an ALA accredited library school. In addition, the library employs a minimum of 2.0 FTE additional staff with MLS degrees. Other key positions as determined by the library director and library board will require a Bachelor's degree. These educational requirements will be waived for persons already employed as library director as of January 1, 2002.

___ ___ 39e. [Major Resource Library] The library director has an MLS degree from an ALA accredited library school. In addition, the library employs a minimum of 8.0 FTE additional staff with MLS degrees.

___ ___ 40. All library personnel pursue an ongoing program of continuing education activities, including technology training as discussed in the WebJunction Core Competencies Resource Page. Visit webjunction.org to learn more.

The library board provides appropriate monetary or other incentives and recognition for completion of approved continuing education goals.

___ ___ 41. The library maintains and pays for a personal membership for the library director in the Kansas Library Association. The library pays for individual membership in a national or regional library association – such as the American Library Association (ALA), the Public Library Association (PLA), the Mountain Plains Library Association (MPLA), or the Association for Rural & Small Libraries (ARSL) – upon request by the director. In addition, the library pays for a membership in the local Chamber of Commerce and/or other civic organizations.

Yes No

___ ___ 42. The library director has completed the system-approved Applied Public Library Education (APPLE) program after appointment.

___ ___ 43. All employees are paid no less than the minimum wage as required in the Fair Labor Standards Act, and the library complies with other provisions of the FLSA. The library pays employees for all hours worked; failure to do so is a violation of federal law and may result in fines.

___ ___ 44. The library expends a minimum of 65% of its annual budget for library personnel compensation. Compensation includes salaries and wages as well as employee benefits that will include Social Security and Medicare, and may include KPERS or other retirement programs, medical, dental, life, disability, workers compensation insurance, Kansas unemployment compensation, and other employee benefits.

___ ___ 45. The base (starting) salary for the library director is at or above the minimum salary level identified for the appropriate service level and educational background. Minimum salary rates are provided as Appendix A of these standards. Library boards should consider the following factors:

- These are entry level salaries; library boards are urged to consider prior experience, education, and skills in setting actual salaries.
- In applying these rates to current library directors, library boards should also consider the library director's length of service and performance.

Please check the salary level (see Appendix A) that applies to your library director:

- Minimum Entry Level
- APPLE Certification
- APPLE Certification *and* a Bachelor's degree
- MLS (Master's Degree, Library Science)

___ ___ 46. The library board annually conducts a written evaluation of the library director's performance.

___ ___ 47. An annual salary increase is provided to the library director, subject to the annual performance evaluation. Factors that library boards are encouraged to consider in setting salary increases include but are not limited to:

- The quality of the library director's performance.
- Success in meeting goals established by the library board.
- The library director's length of service in the position.
- Attainment of major continuing education goals and accomplishments.
- Increases in the cost of living.

Yes No

___ ___ 48. The library director or appropriate administrative staff annually conducts a written evaluation of the performance of all other library employees. The library director annually recommends to the library board salary increases for other library employees.

Physical Facilities

___ ___ 49. Safety is a primary consideration for every public building and physical grounds. Every two years, the librarian, a board member and a city representative conduct a maintenance review of the library building and physical grounds. Repairs should be completed within 6 months of the review. If the local government (city, township or county) provides building maintenance services, the library informs local government of maintenance needs. A helpful maintenance checklist is available on the NEKLS Reports and Forms page at: <http://nekls.org/nekls-reports-and-forms/>

___ ___ 50. The librarian and board periodically, i.e., every 3 to 5 years, compare the community's current and future needs with the current building to determine needs for refreshing or renovation of the current building or construction of a new building. A significant expansion of the library building should include a meeting room, if the library does not already have one. When planning for renovation or construction, the library should utilize the advice of a professional architect and provide adequate space for future library services and staff. Contact NEKLS for more information.

___ ___ 51. The library facility, if constructed or renovated after January 1, 2002, must meet the requirements of the Americans with Disabilities Act (ADA) and the accreditation standards of the Northeast Kansas Library System.

Appendix A

2018-2020 Library Director Base Salary Ranges

This schedule of minimum salaries for library directors provides for a 2% increase over the previous year in the accreditation cycle. Increases are to be applied annually, for a total of 6% at the end of the accreditation period. These are *minimum* compensation levels; library boards are urged to consider prior experience, education, and skills in setting actual starting salaries. In applying these rates to current library directors, library boards should also consider the library director's length of service and past performance.

The minimum salary scale will be reviewed by the Executive Board of the Northeast Kansas Library System at each accreditation period, and adjusted to reflect cost of living increases.

>200	250	400

Note:
download speeds
in Megabytes per
Second (Mbps)

Upload speeds should be a minimum of 3 Mbps or 33% of download speed, whichever is faster.

There is a strong correlation between the number of Internet computers in a library and that library's size, population served and staff. Number of computers is used here as a simplified proxy for those factors.

While the speed that is advertised is often not the speed that is seen at the library, it should be reasonably close. You can check your actual speed by going to www.speedof.me to find out exactly what bandwidth you are seeing in real conditions in your library. If that speed is several Mbps less than what you are paying for, work with your ISP to get it closer to advertised speed!

Libraries, as community institutions which foster entrepreneurship, must include upstream bandwidth in their planning to promote the creation, as well as the consumption, of information. The National Broadband Initiative suggested a minimum speed for libraries.

For more information on technology in libraries, explore *Edge*, a management and leadership tool supporting libraries in making strategic decisions and identifying areas for improvement. The *Edge Toolkit* is based on a national set of benchmarks for public libraries to evaluate their technology services, and includes resources, recommendations, and tools for strategic planning and community engagement. These useful, scalable tools help libraries by creating a pathway to work directly with local leaders and align technology services with community priorities. Visit <http://www.libraryedge.org/about-edge> to learn more.

2018-2020 NEKLS Accreditation Standards: Best Practices

Some management and operational practices are not included in the required accreditation standards, or are not fully defined in those standards. NEKLS recommends that libraries implement the following items as best practices to support the best possible library service.

1. Directors and Officers (D&O) **liability insurance** for the library board is recommended. This insurance provides indemnification for board members and library director, or the library itself, against losses in the event a board member or director is sued for alleged wrongful acts in their official capacity. (see standard #5)

2. In addition to the statutory requirement that the board treasurer be **bonded, fidelity bonding** for other board officers, the director and key staff who are involved in money matters is recommended. (see standard #2)

The board determines the bond amount, subject to approval by the municipal governing board. Some municipalities and companies require a bond equivalent to at least 10 percent of the liquid assets the treasurer is responsible for handling.

Kansas Statute 12-1226 states "...the treasurer of the library board shall give bond, in an amount fixed by the board and approved by the governing body of the municipality, for the safekeeping and due disbursement of all funds that may come into the treasurer's hands...the treasurer of the library board shall pay out the funds on orders of the board signed by the secretary and chairperson thereof."

Kansas Statute 75-4103 states "[an] officer or employee shall be deemed to have furnished surety if he or she is covered by a blanket bond..."

Kansas Statute 10-803, which addresses **signatures on warrants and warrant checks**, states "Warrants and warrant checks shall be signed by the chairman, mayor, president, trustee, director or other chief official, or in the absence of such officer, by the officer authorized by law to act in such officer's stead, and by the clerk, secretary or auditor or like officer, and the seal, if any, of the municipality need not be attached or impressed or shown by facsimile: Provided, That in manager cities the manager and director of finance, or similar officer, if there be one, shall sign the warrants or warrant checks: Provided further, That a facsimile signature may be used when authorized by the official or officer as provided by article 40 of chapter 75 of the Kansas Statutes Annotated." (see standard #19)

3. **New trustee orientation** is essential to the effective functioning of a library board. At a minimum, orientation should consist of:

- Statutory Power and Duties of the Library Board
 - Board Meetings
 - Kansas Open Meeting and Open Record Requirements
 - Board and Director Roles
 - Conflict of Interest
 - Key Planning and Goal Documents
- (see standard #10)

4. Each member of the library board *should* join the **Kansas Library Association (KLA)** and the Kansas Library Trustee Association (KLTA). The Northeast Kansas Library System will reimburse a portion of the membership cost for trustees from accredited libraries. NEKLS will provide a partial reimbursement. Contact NEKLS for more information.

5. A **written planning document** of some sort is crucial to decision-making and resource allocation. This planning document is sometimes called a strategic or long-range plan. The plan should include some or all of the actions below:

- The library will gather and evaluate community-level data, including poverty and unemployment rates, household income, education levels, English proficiency and other population demographics.
 - The library will develop Mission and/or Vision statements.
 - The library will seek out partnerships with community businesses and/or civic organizations that connect people to the library as a resource.
 - The library will create goals and objectives in such areas as digital literacy, economic and workforce development, civic engagement, educational support, health information and sustainable public access to the Internet.
 - The library will put in place a process to monitor implementation of the plan.
- (see standard #12)

Libraries are required to file a copy of the current plan (preferably in electronic format) with the Northeast Kansas Library System.

6. While the components described above are important, a library may choose to conduct a streamlined planning process that uses a reduced level of effort to determine the library's vision and priorities. NEKLS staff are available to assist and facilitate **library planning** efforts. Regardless of the process used, the plan should be revised no less than every three years. (see standard #12)

7. Boards are strongly urged to seek **professional architectural consulting** whenever they embark on a repair or renovation project for the library. NEKLS system staff are available to provide basic consulting service on space utilization, compliance with the Americans with Disabilities Act (ADA) and other issues. NEKLS also makes available the services of an experienced library architect to provide consulting on such issues as analysis of sites and existing buildings, utilization of existing library space, and criteria for selection of building program consultants and architects. **Networking assessment and design** is often specialized; libraries should consult a networking specialist. When appropriate, NEKLS will provide a referral to the architect for consulting services. Libraries should seek architectural consulting advice at the earliest possible stage in building projects in order to consider all building options and obtain the maximum benefit from this service. (see standard #50)

8. Although the **technology support** standard of 0.5 FTE to 2.0 FTE, depending on library Service Level, may be met by a combination of library staff and outsourcing, quality technology support is best seen as an integrated staff function rather than as a contractual or outsourced function. A piecemeal approach to technology support is less likely to provide the kind of seamless library technology integration and innovation that is the intent of the standard. The NEKLS technology staff will develop a set of best practices for library technology support and will work with libraries to implement them. (see standard #33)

9. As online services continue to develop, and library users increasingly connect their personal devices to the library's network, libraries need to continuously evaluate and improve their **connectivity speed**. When Internet Service Providers do not supply adequate business level connectivity, libraries should pursue projects to bring fiber and other high speed Internet service to their communities. NEKLS will work with libraries to pursue connectivity improvement projects. (see standard #32 and Appendix B)

10. The American Library Association has collected information on various aspects of **Intellectual Freedom** and assembled it at the website below. "ALA actively advocates and educates in defense of intellectual freedom—the rights of library users to read, seek information, and speak freely as guaranteed by the First Amendment. Intellectual freedom is a core value of the library profession, and a basic right in our democratic society. A publicly supported library provides free, equitable, and confidential access to information for all people of its community." <http://www.ala.org/advocacy/intfreedom>
(see standard #7)

11. The **Kansas Open Records Act (KORA)** is addressed in K.S.A. 45-215 through 45-223. Public records are records made, maintained, created or possessed by a public agency. They may be in any form, including electronic storage. The content of records varies widely; some track the routine activities of government while others contain personal information about citizens and businesses. For additional information, visit: <http://ag.ks.gov/open-government/kora-faq>

As part of KORA, each library must designate a **local Freedom of Information Officer**. Many library boards designate the library director to serve this role. Kansas Statute 45-226 states, “(a) The governing body of every public agency in Kansas which maintains public records shall designate a local freedom of information officer.

(b) The local freedom of information officer or the local freedom of information officer's designee shall:

(1) Prepare and provide educational materials and information concerning the open records act;

(2) be available to assist the public agency and members of the general public to resolve disputes relating to the open records act;

(3) respond to inquiries relating to the open records act;

(4) establish the requirements for the content, size, shape and other physical characteristics of a brochure required to be displayed or distributed or otherwise make available to the public under the open records act. In establishing such requirements for the content of the brochure, the local freedom of information officer shall include plainly written basic information about the rights of a requestor, the responsibilities of a public agency, and the procedures for inspecting and obtaining a copy of public records under the open records act.”

(see standard #7)

12. Library board officers with signature authority may choose to use **facsimile signatures** as a means to expedite the processing of checks. Kansas Statute 75-4001 through 75-4007 addresses the use of facsimile signatures. (see standard #19)

Kansas Statute 75-4002 states, “Any authorized officer, after filing with the secretary of state his or her manual signature certified by him or her under oath, may execute or cause to be executed with a facsimile signature in lieu of his or her manual signature: (a) Any public security, provided that at least one signature required or permitted to be placed thereon shall be manually subscribed, and (b) any instrument of payment. Upon compliance with this act by the authorized officer, his or her facsimile signature has the same legal effect as his or her manual signature.”

13. Kansas Statute 75-1122 requires certain [financial procedures](#) for libraries with budgets between \$275k and \$500k. NEKLS has developed [financial review best practices](#) for budgets under \$275k (see standard #21)

14. The *Kansas Public Library Youth Services Guidelines* are intended to help libraries measure their current level of library services to children and youth, and to help them improve program, collection and information access to children and youth in their local libraries. The latest version of the Kansas Public Library Youth Services Guidelines was developed by the Kansas Library Consultants for Youth (KLCY), coordinating with the State Library of Kansas. (see standard #29)

View the guidelines at: <http://systems.mykansaslibrary.org/youth-services-guidelines/>

15. Appendix A illustrates **minimum salary ranges for directors**. Increasingly, Service Center I libraries have an opportunity to hire a director possessing a Master's degree in Library Science (MLS). While the standards *do not require* a Service Center I director to possess an MLS, library boards may wish to consider such candidates. NEKLS encourages library boards to consider a salary range that is appropriate to the director's responsibilities and qualifications. To this end, NEKLS recommends starting new hires with an MLS at a rate above the 3rd year level for those with Bachelor's degrees and APPLE completion. The salary range for Service Center II directors with APPLE certification and a Bachelor's degree would be a good range to consider. (see standards #45 and #47, and Appendix A)
