Celebrating 50 Years Serving Kansas Libraries

Welcome

Our presenter today is **Bonnie McKewon**. Bonnie is a consultant with the State Library of Iowa, providing library management training and consulting for 92 public libraries in 14 Iowa counties.

As a consultant and trainer, Bonnie has presented many workshops for library audiences. Whether teaching in person or online, Bonnie's favorite topics surround board and staff development. With an affinity for library board training, she has developed several mutli-part online classes for boards, including "Jumpstart Your Trusteeship" and "The Boardroom."

Before joining the Iowa State Library, Bonnie was the Administrator for the Northwest Iowa Regional System and the director of Spencer (IA) Public Library. Her MLS is from the University of Wisconsin.
